# Elements Series

## In Our Element

With a plethora of bathroom designs confronting our senses today, it's so easy to forget that simple, common element weaving through our personal sanctuary and refreshing our spirits -- water.

Designed to let the mind flow with this element that has made us whole, ELEMENTS SERIES doesn't just evoke visual reconnection through wave-like contours, the widespread of water-saving features, which Rigel has become well-known for, has also enabled users to get into the flow of conserving Nature's valuable resource every day.

A nighttime photograph of the Marina Bay Sands hotel in Singapore, featuring its iconic three towers and skybridge. The hotel is illuminated with warm lights, and its reflection is visible in the water in the foreground. To the right, the Gardens by the Bay are visible, with several Supertrees illuminated in red and yellow. The Singapore Flyer is also visible in the background. The sky is a deep blue, and the overall scene is a vibrant cityscape at night.
